## Landscape Lighting Mini-Intensive Course

Instructed by Jan Moyer, Principal  
International Landscape Lighting Institute

You are invited to attend the inaugural landscape lighting Mini-Intensive Course at the International Landscape Lighting Institute - illi. Ms. Jan Moyer with the staff and mentors of illi are teaching a hands-on, one evening, 3 credit (AIA, IES) course. Daylight instruction will be followed by a barbecue and dark viewing of the extensive illi exhibit installation.

Date:

Tuesday, May 6th, 2014  
6:00 pm—9:30 pm  
Limited to 50 seats

**Registration Deadline May 2**

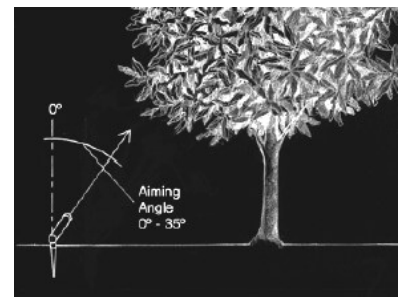

Registration:

\$30 - IES Member  
\$40 - Non-Member  
\$5 - Student  
\$20 late registration fee

Location:

International Landscape Lighting Institute  
30 Brickyard Road  
Troy, NY 12182  
518-235-4808

[www.illionline.org](http://www.illionline.org)

Learning Objectives:

1. **Analyze** the critical importance of power distribution, components, and installation. Tour the exhibit installation to see transformers, distribution junction boxes, controls, and all associated equipment.
2. **Describe** how design teams for the ten exhibit areas approached the design evolution from halogen to LED and the specification process.
3. **Compare** the benefits of LED versus old technology, and experience the difference during the site tour while referring to specification and layout documents.
4. **Identify** the exhibit areas and each of the different lamp and design approaches including a variety of LED integral modules and 5 types of output tuning.

**To Attend:** Please RSVP by email to Bruce Plekan: [albanyies@gmail.com](mailto:albanyies@gmail.com) [www.AlbanyIES.org](http://www.AlbanyIES.org)
